

# It's finally here Warmer Weather

*This past  
winter  
has set*

*many records for cold and snow...  
After such a cold winter, it has  
caused many of our roads to crum-  
ble, break and heave... We are*

*working diligently within our  
budget to get your roads back up  
to par...*

*Record breaking winter brings  
record breaking spring mess...*

*Please be patient, we are working  
across town to repair all of the  
snow removal damage...*

***Please use our [interactive  
map](#) at the Highway Depart-  
ment web page to check on  
our progress.***

# Please Welcome Your New Superintendent of Highways and Landfill Supervisor Paul J. Legnetto

## Our Mission:

*"To Provide the Town of Camillus Tax payer a continual maintained roadway system, utilizing an efficient cost effective approach."*

## Notes from your Highway Superintendent

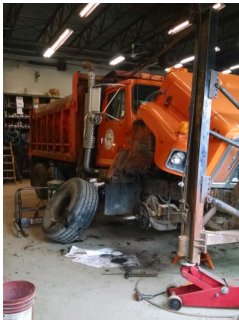

I am committed to the Town of Camillus and as promised, I have orchestrated the Highway department through a tough *old fashion* Camillus Winter. The department and I are now focused on spring cleanup with planning for the upcoming construction season work.

**Paul J. Legnetto,**  
CPESC,  
CPSWQ

There is much to do at the Highway department for the spring months.

Trucks need to be over hauled before next years snow removal, while others have been prepared for current use this spring and summer months.

We continue to work on improvements to the department. I have utilized the transition of seasons to complete much needed maintenance work on the Highway department buildings. I have plans to increase our current salt storage capabilities. This will allow us to reduce the amount of sand mix spread on the roadways during the winter months, which in turn will help reduce the spring time clean up and further protect our environment.

*"Paul— has done a tremendous job getting us through a record breaking winter..."*

*~ Mary Ann Coogan,  
Town of Camillus Supervisor*

## Cont'd Web Site Updates

The Highway department Web page now has been updated to include an interactive mapping system. The map system will provide you with up to date information, detailing current work and upcoming work.

## Continued Services

The Highway Department takes great pride in the Town of Camillus. Your opinion matters to us, should you have any questions, concerns, or suggestions, please call Monday through Friday from 7:30 a.m. to 3:30 p.m. at 672-5556 or 672-3081. If no answer, please leave a message and we will get back to you as soon as possible. In case of an emergency after business hours, please call 487-0102.

## Compost

The Town Highway Department recycles and composts everything picked up. The Town's composting facility is located at 4334 Milton Avenue, at the Highway Department complex. Residents may dispose of materials for composting or pick up compost for their own use between the hours of 7:00 a.m. and 2:30 p.m., Monday

through Friday. **Please no plastic bags or other non biodegradables.** During the summer months, these services are also available on Saturdays from 7:00 a.m. to 2:30 p.m. Wood chips are also available for residents' use free of charge.

## Recycling Bins

The Highway Department has a supply of the [OCRRA's blue recycling bins](#). These bins are located outside the office building at the Highway Department complex on Milton Ave. and may be picked up 24 hours a day.
