

## **Summer is Here!**

**Drive Slow thru Work Zones...  
Watch for work crews, Our  
Safety depends on you...**

*Spring Clean up work is now complete and we have shifted our focus onto the highway system... Many roads and drainage systems are in need of repair...*

*Please refer to the interactive map on the Highway Web page to find out what roads are being resurfaced this year...*

*Roadways that have not been scheduled for resurfacing this year will continue to be a priority for future maintenance as budget allows...*

*Please report major pot holes to the department... As always if you see something, say something...*

**Please see our [interactive map](#) on the Highway Department web page for more information.**

## **Welcome to the Town of Camillus Highway Department**

2015

Third Quarter

Highway News Brief

**Tel: 315-672-5556**

# Please Welcome Your New Superintendent of Highways and Landfill Supervisor Paul J. Legnetto

## Our Mission:

*"To Provide the Town of Camillus Tax payer a continual maintained roadway system, utilizing an efficient cost effective approach."*

## Notes from your Highway Superintendent

Enjoy the Summer Season, Please drive carefully; Kids are home for summer break and are near the road more often, more Motorcycles are in use, a greater number of Recreational vehicles are on the road...

**Paul J. Legnetto,**  
CPESC,  
CPSWQ

Now that are focus has shifted to roadway and drainage improvements, our crews will be out in traffic zones more often, Please watch for them and obey directions given.

Roadway rehabilitation and resurfacing has been scheduled for this year. Some work has already begun or is near complete. Please see our interactive map on the web for more information. We are taking preventative measures for many roads to extend their service life.

The recent rain events we experienced have been extreme, bringing light to many drainage issues. We are working diligently to address the most severe, always thinking of the health, wealth and safety of our community members.

## Cont'd Web Site Updates

The Highway department Web page will continue to receive updates, including new information on the interactive mapping system and highlights of current work examples informing you with to date information, detailing current work and up coming work areas.
